ALBERTA

INTRODUCTION

The "Directory of Alberta Government Libraries" is produced by Cooperative Government Library Services Section, Alberta Legislature Library, on a semi-annual basis.

It lists provincial government libraries in Alberta and includes statistics on the number of libraries and library personnel within the provincial government.

This edition includes a listing for the new Alberta Tree Nursery & Horticulture Centre Branch Library. There are no longer listings for the Alberta Education Regional Office Branch libraries and the Legislature Library's Legislative Research Services Section as these units have been disbanded. As well, there are no longer entries for a number of Alberta Correctional Centres as the related staff positions were abolished. The Solicitor General's Provincial Centre Librarian is now responsible for the operation of all Correctional Centre collections.

This edition is based on information compiled in June 1988. Additions and changes will be included in the Alberta Government Libraries' Newsletter, generally issued the first week of every month. Please notify Cooperative Government Library Services Section, Alberta Legislature Library, 427-3837 of related changes.

Cost of a subscription to the Directory is $7.00 per year. This entitles the subscriber to one copy of each of the two editions that are produced during the calendar year.
